=====

Each September we begin our annual program for renewing MPAFUG membership dues for the following year. All members are asked to renew their dues each year by January 1st. During the Corona 19 pandemic we suspended dues collection for three years for members in good standing. In 2025 we resumed collecting membership dues.

Our expenses, which have continued to rise during the past few years, include hall rental, printing expenses, internet access, Web site Internet services, ZOOM meeting access for Steering Committee meetings, and OBS meeting recording services for creating our Videos of presentations, etc. We have not increased our dues in over 34 years. Not many organizations can make that claim.

Make check payable to MPAFUG for \$12, and mail with the above form to:
